

I would like to use this opportunity to thank all our members and participating businesses for your continued support and wish you all have safe holidays. It has been a busy year for us. Our business has been featured on TodayTonight, in the West Australian and the Mandurah Coastal Times.

It is still not too late to do your shopping at the businesses on our MandurahToday.com and OzReward.com customer rewards program.

We would like to welcome more businesses to join our rewards program. We only take on one business in each major category in each city or shire, so your business interest will be protected. If you're still not a member, it is very easy to join. Simply visit one of our participating businesses or go online.

*Best regards, Artwell Chen*

*CEO, MandurahToday.com and OzReward.com*
